

Vision

To plant and grow an authentic Christian Church that seeks to encounter Jesus, build community and see transformation in Grange Park, Loughborough and beyond.
And then to do it all over again!

Values

Overview to core values

These values are central to who we are as a church and help us in our decision-making process.

The Core Values

- We prioritise making disciples (apprentices) of Jesus Christ.
- We are here to reach and serve the 93% who have no OR very little contact with the Church and the Gospel.
- We work hard to build an authentic community that demonstrates the love and grace of Jesus Christ.
- We love to gather together to worship, explore the Bible, inspire and encourage one another to live like Jesus.
- We have a bias towards the next generation.
- We laugh, have fun and go large when we welcome.
- We want to give away because God has given everything for us.
- We pray and seek the Holy Spirit every time we meet.
- We intentionally invest in new missional leaders, communities and church plants.
- We celebrate and encourage rest and holiday.
- We take risks, dream big and fail often.
- We will do everything we can to safeguard all people.
- We seek to partner with churches and organisations who want to pursue Kingdom values.
